

MINUTES OF MEETING OF ASSINGTON PARISH COUNCIL
Held in Assington Village Hall on Wednesday 20th June 2018

Present: Councillors Simon Thorogood (Chairman), Stephen King, Steve Betts, Rose Symonds, John Symons and Helen Wallace

Attending: Jane Hatton (Clerk) and 10 members of the public

18/062 Apologies for Absence

Councillor Bronwen Stacey, District Councillor Jennie Jenkins and County Councillor James Finch sent their apologies

18/063 Declaration of Interest and Requests for Dispensation

No interests were declared and no request for dispensation had been received.

18/064 Minutes of Meeting held on 21st May 2018

The minutes of the meeting were approved.

18/065 Public Forum

A member of the public raised the issue of the 7 new proposed dwellings on Land East of The Street and the original objects of landscaping, land water and holding water and that the site will be liable to flood. Properties 9 & 10 of the neighbouring site which had got planning permission on appeal according to Suffolk CC Flooding were still liable to flood and any land lower including this new site and existing neighbours. The planning inspectorate had passed the responsibility of the control of foul water to the District Council and a neighbour to the site was concerned about foul water going into his pond. An additional concern raised was the additional traffic on a rural road without a pavement.

The public meeting was closed.

18/066 Routine Correspondence

- a. An email had been received from BDC informing the council that Charlotte Bayes from the Planning Enforcement team would investigate the double garage and alinement of the kerb at St Edmunds Cottage and the clerk had contacted her for an update but not had a reply and the Clerk was asked to follow up. Cllr King advised that there was an application on the 4th June for a new driveway which had not been sent to the clerk from BDC and the clerk confirmed that it was not listed in the consultee tray on the website. Councillors reviewed **Planning Application – DC/18/02520** – relocation of access drive serving new dwelling at St Edmunds Cottage, The Street, Assington. Councillors resolved to object to this application on the grounds that:
 - The original location of the drive is adequate for the single garage as agreed in the planning permission granted.
 - This planning permission is being investigated by Planning Enforcement reference number 18/00167/NFP as a double garage is being erected without planning permission and the kerb is out of alinement.
 - The erection of a double garage without planning permission is an over development of the site.
- b. An email had been received from BDC regarding a Liaison meeting on the 10th July. Councillors requested the clerk to find out what will be discussed before deciding if they need to attend.
- c. An email had been received from BDC confirming that Christine McSloy will respond regarding placing a dog bin in Wemsley Lane but the Clerk had not received a response

and confirmed this would be followed up. Cllr Thorogood suggested that the landowner be asked if they had any objections.

- d. Since the issue of the agenda an invite had been received from BDC regarding a meeting on Rural Housing on the 4th July and Cllrs Wallace and Symonds confirmed that they would attend. The Clerk will confirm on their behalf.

18/067 Clerk's Report (Appendix A)

After reviewing the Clerk's Report there were no further actions requested of the Clerk.

18/068 Finance

All cheques signed and due for signing as itemised in **Appendix B**, were authorised by the councillors. The councillors noted the income received since the last meeting and reconciliation of bank accounts against the bank statements, and the Statement of Accounts against the Budget.

18/069 Planning

- a. Councillors reviewed **Outline Planning Permission – DC/18/02596** – Erection of 7 dwellings at Land East of The Street, Assington and resolved to **object** to this application on the following grounds:
- Permission for planning had been refused by BDC initially and overturned regarding the neighbouring site on appeal and reasons for the refusal still apply
 - Overdevelopment of the site and no requirements for an additional 7 dwellings in addition to the 10 dwellings with planning permission failing to meet CS11 which requires development to be well designed and appropriate in size/scale and character to its setting and village.
 - No capacity of physical infrastructure with the additional risk of flooding including foul water
 - Highway issues with additional traffic generation and highway safety with no footpath connecting the proposed site with the amenities of the village
 - The impact on the development in a designated special landscape NPPF para 109.
 - The drive through the St Edmunds Close had been agreed for access for agricultural use only
- b. Councillors reviewed **Planning Permission – DC/18/02584** – Erection of a single storey rear extension to 27 The Street, Assington and resolved to **object** to this application on the following grounds but would look to support an application for an extension to the rear of the property which could not be seen from the road.
- Layout and density of the building design, visual appearance will spoil the proportion of the existing properties and the unusual design
 - Out of keeping with the street scene
- c. Councillors reviewed **Planning Permission – DC/18/02160** – Barn Conversion to form annexe at Moors Farm, Wormingford Road, Assington and resolved to **support** the application but would request an added restriction that the annex is for family use only.
- d. Councillors reviewed **Building Consent – DC/18/02161** – Barn Conversion to form annexe at Moors Farm, Wormingford Road, Assington and resolved to **support** the application
- e. Cllr Thorogood requested that the clerk contact Babergh Planning Department to request a meeting and suggested dates to discuss the amount of planning being granted in the village and especially DC/18/01759 which was granted this week without the requested site visit and to copy in the District Councillor.
